The Friends of the UN Logo can be used only for the **Re-Use Program** of JEPA, in support of Friends of the UN waste management initiative. The right to use the logo shall not be granted to any other parties in Japan or for any other purpose and shall make reference to Friends of the United Nations.

Use of the logo is valid from November 1, 2010 to October 31, 2012. The parties will negotiate in good faith for an extension of the right to use the logo prior to the expiration of this Agreement.
